This is a summary of cybersecurity certificates.

CompTIA → **Cisco**

"Name of Organization "

Beginners **Intermediate** **Professional** **Experienced**

CompTIA

- CompTIA A+
- CompTIA Network+
- CompTIA linux+
- CompTIA Security+
  - Precedes → CompTIA CySA+
  - Precedes → CompTIA PenTest+
  - Precedes → CompTIA CASP+

EC-Council

- CEH - Certified Ethical Hacker
  - ECSA - EC-Council Certified Security Analyst
    - Prerequisite → CCISO - Certified Chief Information Security Officer
      - Prerequisite → ECSP - EC-Council Certified Secure
    - Prerequisite → ECIH - EC-Council Certified Incident Handler
  - Prerequisite → LPT - Licensed Penetration Tester
    - Prerequisite → ECIH - EC-Council Certified Incident Handler
    - Prerequisite → ECSS - EC-Council Certified Security Specialist

Cisco

- CCNA Cyber Ops
  - Preparation → CCNP Security → CCIE Security
  - Cisco Certified Cybersecurity Specialist

E-learn Security

- Offensive Security
  - offered → OSCE
  - offered → OSCP
  - offered → OSWE
- eJPT
  - eWPT
  - eCPPT
  - eCIR
  - eMAPT

(ISC)²
- SSCP
- CSSLP
- SSCP

ISACA

- CSX Cybersecurity Fundamentals
  - CSX Practitioner
    - Leads to → (CGEIT)
    - Leads to → (CCSP)
  - Prepares for → (CISM)
  - Prepares for → (CRISC)
  - Prepares for → (CISA)

GIAC

- GSEC
  - Prepares for → GCIA
    - Prepares for → GCED
  - GCIH
    - GWAPT
      - Prepares for → GCED
      - Prepares for → GREM
        - Prepares for → GXPN
    - Prepares for → GREM
    - GPEN
      - Prepares for → GASF
        - Prepares for → GAWN
